Clean Energy Project Assistant Position Available

INTERESTED IN BEGINNING A CAREER GROWING CLEAN ENERGY?

Technology Transition Corporation (TTC) has an immediate full-time opening for an energetic entry-level individual that is motivated to promote clean energy technologies and build a career in the clean and renewable energy sphere. This position will support the American Biogas Council (ABC), the premiere non-profit association promoting the anaerobic digestion and biogas industry, and the Mid-Atlantic Bioenergy Council (MABEC), a non-profit association representing the use of biomass to produce clean heat, power, biogas and soil amendments throughout the Mid-Atlantic region of the US.

The candidate will fill a Project Assistant-level position focused on:

- **ABC and MABEC operations, and management, and Board of Directors support**
- **Membership services, retention, and development**
- **Communications support** for distribution of association news, information, and announcements.
- **Event development and planning support** for workshops, industry conferences, tours and webinars
- **Database and website maintenance**

The candidate will work with senior client managers, ABC and MABEC Board of Directors, and members to elevate the sectors' visibility within the clean energy sphere and "mainstream" markets. This position offers a dynamic and diverse set of responsibilities that require professional interpersonal skills, initiative, the ability to multitask, and the ability to quickly learn and communicate information to client members.

This position also offers an opportunity for professional development and growth by meeting with trade association members, helping to plan industry events, and attending industry-related events. Some travel may be required. The candidate will also gain real-world association management and business development skills.

ABOUT TTC

TTC (www.ttcorp.com) provides technical, advocacy, consulting, and management services to renewable and clean energy industries. Since 1986, we have partnered with companies and built coalitions to advance the development of energy technologies. Our clients include Fortune 100 corporations, start-ups, leading universities, and government agencies. We create and manage non-profit industry associations—such as the Biomass Thermal Energy Council (BTEC), Association of Environmental Engineering and Science Professors (AEESP) and International Biochar Initiative (IBI) in addition to ABC and MABEC —and for-profit ventures in energy-related areas such as biomass thermal energy, biogas, hydrogen and fuel cells, environmental engineering, electric power operations, and energy conference and event planning.

QUALIFICATIONS

This full-time position is open to candidates starting their energy-related careers with a strong interest in clean and renewable energy and strong communications skills to grow into a leadership position. Applicants must have a desire to develop professionally by attending association-sponsored events, and by networking with strategic partners.

The ideal candidate meets the following qualifications:

- **Excellent organization and administrative skills, and attention to detail** - the ability to support staff in the association's daily operations and track progress on ABC's and MABEC's strategic goals
- **Exceptional interpersonal skills** – the ability to speak and write professionally to business leaders, association members, government employees, and other stakeholders
- **Excellent professional and persuasive communications skills** – the ability to write and speak clearly on the associations to prospective members, the general public, and potential partners
- **Ability to learn quickly** – familiarity with the industry is not required, but the candidate must be able to synthesize information, such as the production of biogas via AD technology.
- **Motivated and self-starter** – the candidate must be able to work within a fast-paced office environment, take on leadership within the associations, search for potential business development opportunities, and independently make connections with strategic stakeholders
- **Familiarity with database and website management software is a plus**

RESPONSIBILITIES

This position reports to ABC and MABEC senior managers and Directors. The position also maintains a close relationship with associations' committee chairs, Directors, and members. The candidate should have the ability to provide stakeholders an overview of the associations' interests and work, and will be able to serve as resource for general questions on the associations and the industries.

Specific responsibilities include, but are not limited to:

- Support the daily operations of the associations by answering email and phone inquiries, scheduling meetings and calls, and preparing materials for staff and leadership
- Support management and the Board of Directors by scheduling monthly Board/Executive Committee calls, preparing meeting agendas, recording and distributing meeting minutes, and following up on action items
- Support committees, working groups and sector action groups by maintaining regular contact with committee chairs, organizing committee meetings, and following up on committee activities and actions
- Support senior staff in planning events by contacting potential speakers and attendees, working with event planning volunteers, developing announcements and promotional literature, monitoring incoming registrations, and assisting in other event logistics as requested
- Manage membership recruitment and retention by following up with delinquent members, contacting prospective members, strengthening relationships with current members, and providing membership development support to the Board of Directors
- Assist in the development and distribution of regularly-scheduled newsletters
- Maintain and update the association websites and membership and contact information using Salesforce
- Research and propose business development opportunities and new partnerships for the associations
- Support TTC management in work appropriate for the candidate's skill set and experience

WORK COMPENSATION AND BENEFITS

- Starting annual salary is \$33,000. A six-month review is conducted with salary adjustments based on merit. Annual merit increases and promotions are based on mutual employee and supervisor performance reviews
- 100% Company-paid health, life, long-term disability, and optional dental insurance
- 401(k) Plan
- 10 paid vacation days and up to 10 paid sick/emergency leave days (vacation increases with longevity)
- 10 paid holidays each year
- Convenient Washington, DC location near Dupont Circle
- SmartBenefits® for public transportation

REQUIREMENTS

The position requires a time commitment of 40 hours per week. TTC operating hours are 8:30 AM to 5:30 PM, although these hours are flexible.

TTC'S CLIENTS

Like all staff, beyond the principal ABC and MABEC engagement, the candidate may engage with other TTC client associations and foundations as needed, which are:

- American Biogas Council (www.AmericanBiogasCouncil.org)
- Biomass Thermal Energy Council (www.biomassthermal.org)
- California Hydrogen Business Council (www.CaliforniaHydrogen.org)
- Clean Energy Research and Education Foundation (www.CEREF.org)
- Hydrogen Education Foundation (www.HydrogenEducationFoundation.org)
- International Biochar Initiative (www.biochar-international.org)
- Mid-Atlantic Bioenergy Association (www.mabec.org)
- Association of Environmental Engineering and Science Professors (www.aeesp.org)
- AEESP Foundation (www.aeespfoundation.org)

HOW TO APPLY

Fill out and send the attached application along with a cover letter and resume in PDF format to the attention of Brian Schorr, Director of Operations, at careers@ttcorp.com.

Technology Transition Corporation Application for Position
