

TTC Announces MABEX 2017 – September 12-14, 2017

The Pennsylvania Biomass Energy Association (PBEA), a TTC client since 2016, is excited to utilize TTC's event production resources to expand their previously biennial event into MABEX, the Mid-Atlantic Biomass Energy Conference & Expo, into an annual signature event to grow the biomass energy industry in Pennsylvania and beyond.

MABEX 2017 will be held at the Penn Stater Hotel & Conference Center in State College, PA, September 12-14, 2017. The event will include two bus site tours, a conference with multiple tracks, and an expo. TTC is responsible for all aspects of online and onsite registration, marketing, exhibitor and sponsorship sales and servicing, website administration, conference materials, and all onsite logistics, including catering, AV, and registration.
