**TTC Welcomes Peter Thompson to the Team**

Peter Thompson joined TTC in July 2017 as a project assistant for the California Hydrogen Business Council, the Biomass Thermal Energy Council and the Hydrogen Education Foundation. In the summer of 2014, Peter interned as a Demmer Scholar at the Forest Resources Association in Washington, DC, advocating for organizations and businesses in the forest products industry. After graduating, Peter worked for the Carolina Hurricanes Promotion and Fan Development Department. After one season with the Hurricanes, Peter accepted a Program Associate position with the Greater Raleigh Merchants Association, advocating for locally owned, independent businesses in Raleigh, NC. After one year in this role, Peter decided to move back to Washington and find work advocating for clean energy solutions, a subject he is very passionate about.

Peter Thompson attended North Carolina State University where he received a B.A. in Communication Media in 2015, with a Journalism minor.
